
Studio legale:DLS

The **DLS Law Firm** (www.studiodls.it) was born twenty years ago from the experience gained by Prof. Att. **Francesco De Leonardis** on Administrative Law and Environmental Law, with the mission to give specialised advice and legal defense, mainly in favor of public administrations and large Companies.

Prof. Dr. Francesco De Leonardis, Professor of Administrative Law and Administrative Justice at the University of Macerata, as well as Adjunct Professor of Environmental Law at the University of Roma Tre University, is the author of over sixty publications in the field Administrative Law, Administrative Justice and Environmental Law.

The DLS Law Firm relies on the collaboration of lawyers with specific skills and experience in the mentioned areas.
